FIELD OFFICE TECHNICAL GUIDE

CHANGE NOTICE 105

Purpose. To transmit technical documents to be inserted into the local FOTG.

Effective. This notice is effective when received.

SECTION I

Federal, State, & Local Laws Table of Contents – This table of contents has been updated to include the 2005, Florida EPPC List of Invasive Species.

Florida Exotic Pest Plant Council's (EPPC) 2005 List of Invasive Species - This list identifies non-native/invasive plant species which are detrimental to native plant communities, wildlife habitat functions, and to agricultural production. Please note that is Florida NRCS policy to not recommend, encourage, or provide cost-share assistance that would promote the spread of any plant species listed under **Category I**. When providing technical and financial assistance, NRCS shall encourage the control, and where practical eradication of these plant species within the conservation planning unit.
